

PGWnet Noms de Plum as of May 2008

Noms on PGWnet are different from those on other P. G. Wodehouse forums, although there may be some overlap.

Note: At the end of the first group of names is another, smaller one. These are the names of our fellow PGWnet members who have "Gone to Blandings" before us. Their noms are permanently retired, in fond memory of the people who used them.

Also, please don't automatically assume that if a nom is not on this list, it is available for use. The most up-to-date list resides with the nom keeper, Major Wilfred "Plug" Basham. Send your nom request to him at brimsmith@comcast.net and you will be notified if your choice is indeed available.

Finally, if you should unsubscribe from PGWnet at some future date, please consider surrendering your nom so others may use it. There are only so many characters in the canon, you know!
